

Announcement

December 15th, 2021

We sincerely appreciate your support for the Washoku World Challenge (WWC).

This is to report to you on the current situation about the final tournament of the 9th WWC that is scheduled to take place in Tokyo.

We will announce the finalists on December 20th.

However, as the coronavirus infections spread worldwide, foreign nationals are restricted from entering Japan.

We are consulting with relevant authorities to determine whether it is possible to hold the final tournament in Tokyo in February 2022.

We will certainly inform you as soon as the decision is made.

Washoku World Challenge Executive Committee
